Dated : 5th June, 2007

P.C.

1. The petitioner's substantial prayer is vague and unless the prayer relates to specific tenders of a particular project or contract, it will not be possible to entertain such application. If the petitioner is aggrieved by the issuance of tenders in future in respect of specific contract, project or any other business related works, he may resort to appropriate legal proceedings, and we are satisfied that the petition as at present need not be entertained.

2. Hence the petition is rejected summarily.
